

# CDA BRIGHT SPOTS

**"Good teachers know how to bring out the best in students." - Charles Kuralt**

## THE ELEMENTARY TRAVELING TROPHIES!

The Pineapples have been awarded! These golden honors celebrate educators who go the extra mile, making a lasting impact in unique ways. One has helped teachers bring social-emotional learning to life, another offers support unconditionally, and the third builds confidence in struggling students. Their dedication reminds us that true excellence is found in lifting others up. Hats off to our golden pineapples for shining so brightly!
