THE ELEMENTARY TRAVELING TROPHIES!

This week, we're proud to celebrate three staff members who were recognized by their peers for consistently going above and beyond in ways that strengthen our school community. Whether offering behind-the-scenes support that keeps everything running smoothly, embracing new challenges with resilience and grace, or showing up day after day with generosity and a team-first mindset—these individuals model the very best of CDA.

Their actions reflect more than just dedication; they speak to the culture we're building together—a place where collaboration, care, and continuous learning are at the center of everything we do. By embodying these values, they help bring to life our shared vision of high-quality learning, where every role contributes meaningfully to the growth of our students and the strength of our school. We are grateful for their impact, inspired by their example, and better because they're part of our team.
